For many Christians, the Bible is a how-to-manual filled with literal truths about beliefs that must be strictly followed. Modern secular minds dismiss the scriptures as an ancient book of mythology weighed down with flaws and contradictions.

But the Bible isn't an instruction manual or a rulebook, instead it's a powerful learning tool that nurtures our spiritual growth. Rather than giving easy answers to the perplexing questions and issues that confront us in our daily lives, the Bible offers insights that challenge us to find our own answers. Ultimately, it cultivates God's wisdom within us.

In this Webinar Series, we offer a vision of the Scriptures as an inspired and empowering resource.

This fresh and adult approach to the Bible will help us live as people of faith today in our post-pandemic world. Why not use this time of Coronavirus and lockdown to nurture your spiritual growth? The sessions will be led by Br. Martin Kenneally. Each session will last 40 minutes on Zoom.

**You don't need a Bible to take part.**
